

2017 Scarecrow Festival

School and Group bookings

Book your class or group for a Scarecrow Making Party at Art's Nursery.
A fun team building exercise for all ages!

What's included?

- We supply you with the frame, burlap, straw for stuffing, and a face making station to make your own scarecrow. It takes approximately 1 – 1 ½ hours on average to complete.
- After you build your crow, go on a self-guided scavenger hunt to find our specialty scarecrows.
- A downloadable colouring contest for kids to colour and bring in.
- Take home your completed scarecrow or display it at school!

What do you need to bring?

- Clothes and anything to dress up your scarecrow - hat, pants, shirt, glasses, and other accessories to create your own personality. Have fun with it!

What does it cost?

- Admin fee of \$25, including up to 10 people. For 11 people or more, add an extra \$2 per head.
- Plus, the cost of each scarecrow: \$12.
- We recommend approximately 4—6 kids per scarecrow.
- For large groups and depending on age; at least 1 adult for every 4 children is required

Who does this benefit?

- We are supporting three local charities:
 - **L'Arche Greater Vancouver** - Supporting day programs and housing for people with developmental challenges
 - **Society of Versatile Entertainers** - An amazing group of volunteers who travel to seniors facilities and palliative care units performing and brightening the days of the patients.
 - **SALI (Semiahmoo Animal League)** - An incredible farm connecting at risk youth and abandoned horses with magical results!
