

## Booking a Group

# 2016 Scarecrow Festival

Scarecrow making parties for groups can be booked through Shelly Levis.

- Each kit is available for a \$10 donation
- Included in each kit is: burlap, face making station, straw for stuffing and the frame
- Bring old clothes to make your scarecrow- pants, top, hat, etc.
- Take home the scarecrow or display it at school!

For large groups and depending on age; at least 1 adult for every 4 children is required.

Estimate approximately 1 – 1 ½ hours per scarecrow.

We have the nursery set up with the specialty scarecrows throughout the grounds so students can go on a self guided tour to find them all. In addition, we have a downloadable colouring contest for them to do and bring in.

Outside of scheduled groups, families can come in anytime from Sept 24<sup>th</sup> to Oct 31<sup>st</sup> with some old clothes to make a scarecrow on their own.
